Subject Writing off of the loss amounting to Rs 221/- being the cost of 17 c yds of granite chips out of the 48 c yds of metal collected for premixing Dawoodkhan street, Lashkar Mohalla, by Janab Ahamadulla Khan

---

I have the honour to state that one Janab Ahamadulla Khan was entrusted with the collection of granite chips for premixing Dawoodkhan street, Lashkar Mohalla, Mysore as per work order No mil 671-10-47 The chips so collected to the extent of 48 c yds by the contractor were got measured by the Sub-Overseer on 11-12-1947 and the same was check-measured by the Engineer on 7-1-1948 When the Sub Overseer in charge of the Division measured again at the time of consolidation on 11-3-1948, it was found that about 17 c yds were short The concerned staff should have been vigilant and taken necessary action to observe if the collections were in tact after final check-measurement by the Municipal Engineer However, the Municipal Advocate who was also consulted as to the legality of the case said that the question ef has to be decided on the terms of agreement for supply of the materials But it was found that no such agreement had been executed The Audktor objected to the payment of the bill in respect of 17 c yds of metal stated to have been lost and desired that the same should be got clarified and sanction of Government obtained before the bill could be admitted in audit When the question came up before the Works Committee held on 21-1-1949 they resolved th the effect that the bills may be passed as a special case with the observation that in future depot materials should be

consolidated as soon as check measurements are over The Council before whom the recommendation of the Works Committee came up on 2-4-1949 duly approved of the proposal But the Auditor objected to the payment on the score that sanction of Government is necessary The Council before whom the Auditor's objection came up on 28-5-1949 were also of the same opinion and resolved that Government be addressed to sanction the writing off of the loss amounting to Rs 221/- The question of assessing the responsibilities on the several officers and officials of the Municipality for the loss of the amount will be considered separately by the Legal and Audit Committees In the meanwhile, orders of Government may be obtained and communicated for writing off of the loss of Rs 221/- in question and payment of the amount of the bill

Yours faithfully,

T. Venkata Ramaiah

President
